11. (S) Embassy Tokyo Political Officer and Deputy Financial Attache conveyed reftel demarche on August 30 to Ministry of Foreign Affairs International Counterterrorism Cooperation Division official Miyako Ishimura and Ministry of Finance Legal Office Deputy Division Chief Shunichi Fukushima. Sharing information on terrorist finance designations is particularly important for the Government of Japan since it is not a member of the United Nations Security Council, and Japan appreciates United States efforts to pre-notify, Ishimura noted. Both counterparts thanked Embassy officers for the information and agreed on the need for continued cooperation.
